Mr. Jacob Cabish, Sr., has purchased the stock of groceries of James Pollitt of the Sixth Ward.

Yesterday morning a stranger visiting the city taking in the sights had a close call from being run down by a Westbound C. and O. freight while standing on the viaduct at the foot of Market street viewing the river. A timely and daring leap over the bank saved his bacon by a hair's breadth.

Causes Debility Here Are Facts Backed Up By a Strong Guarantee

Catarrh causes debility. In my opinion, most people suffering from general debility have catarrh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarrh. In every case where my remedy fails to give entire satisfaction I will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe me or to put my claim to a practical test under such conditions. I will take all the risk; no one else can lose anything by the transaction.

I make these statements and this offer because I know and have time and again proved that Rexall Muc-Tone rarely fails to do as I claim. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarrh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the toulou and alternative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarrh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the best natural to the perfectly healthy individual.

I want you to try Rexall Muc-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell me and the money you paid for the treatment will be returned without any argument whatever.

Rexall Muc-Tone comes in two sizes, 50c and \$1 a bottle. Sold only at my store—The Rexall Store. Thos. J. Chenoweth.

Ask your doctor how often he prescribes an alcoholic stimulant for children. He will probably say, "Very, very rarely." Ask him how often he prescribes a tonic for them. He will probably answer, "Very, very frequently." Ayer's Sarsaparilla is a strong tonic, entirely free from alcohol.

Taking the Whole Country by Storm

The new remedy is a recent discovery, but it is taking the whole country by storm. It has cured so many people throughout the State within the past few months that scores of newspapers are publishing local testimonials, giving names, streets and numbers of many people whose word cannot be doubted. The remedy certainly must have remarkable merit, as so many people after using it a short while are advising their sick friends to try it. The Greensburg, Indiana, Daily Review recently published the following: Mr. J. W. Boyle, of 116 East Washington street said: "My wife has been taking Root Juice and it has done wonders for her. Before taking it she had a very bad stomach. The lightest food would sour on her stomach and cause it to burn and pain her very much. In fact, she said she felt like it was raw from top to bottom. Recently her trouble was aggravated by an attack of influenza. Her appetite was very poor, but after taking the Root Juice a few days she had a good appetite and could digest everything she ate without the least pain or inconvenience. She is no longer weak and nervous, and seems like a new woman. The remedy has proved a wonderful blessing to her." In fact, so many people are talking about the new remedy and telling about its great soothing, healing and toning qualities to the stomach, bowels, liver and kidneys that it is now hard for the Root Juice people to make it fast enough to fill all orders. It is retail-d for one dollar a bottle. Many local people have testified to its wonderful merits, as anyone can learn by going to J. J. Wood & Son's Drugstore.

In noting the marriage yesterday of Miss Lydia Shepard to Dr. Finlaw of Moscow, Ind., THE LEDGER gave the name of the groom Ray H. Finlaw when it should have been Fred H. Finlaw.

Governor Willson has accepted an invitation to speak to the Missouri Bar Association in St. Louis on the night of May 6th and to the Kansas City Bar Association on the night of May 7th.

AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me." — Mrs. Emma Luse, 833 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure those obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

DUNN.

There is a reason for the broad smile that Captain James Dunn wears and the prodigal manner in which he is dispensing an unstinted hospitality among his wide circle of friends—it's another bouncing boy, hence the joy. The young Democrat arrived yesterday at 10 a. m., and mother and child are doing nicely this morning, but there is danger of a sudden collapse of the over joyful Daddy. Are you Dunn or not Dunn?

HAPPY RESULTS

Have Made Many Maysville Residents
Enthusiastic

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being sharp pains through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches were also common and I often became so dizzy that if I did not catch hold of something I would fall. I continued to grow worse, and I was often confined to my bed for a week at a time. No remedy I tried helped me, and I began to have symptoms of dropsy. There was an almost complete retention of the kidney secretions and my body became bloated. I had about despaired of ever being cured, when I read of a person who had been rid of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and obtained so much relief from the use of the first box that I continued taking this remedy until I was entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

For sale by all dealers. Price 50 cents. Foster-McLure Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Our Colored Citizens.

Memorial services will be held by the colored citizens and soldiers and all Lodge of Maysville and Mason county at Scott's M. E. Church May 30th. The program will be published later, which will be interspersed with music, recitations, patriotic singing; also, a very able memorial address will be delivered at night, when all the Lodges of the city will turn out in a body. The invitation is now extended to all Lodges to be present on that night. A Committee of Ladies will have charge of the school children, who will have a part in the program. A large and appreciative audience should be present and make this day one to be long remembered by our people.

THE STREET FAIR

The K. G. Barkoot Shows now on the streets of the city are giving the people a big time this week.

Among the best patronized shows are John Ruhl's European Flea Circus, in which 300 trained fleas take part in a real circus performance. There are acrobatic fleas, juggling fleas, high school fleas, tumblers and four-in-hand fleas carriage drivers. They do everything but talk.

Ferrie's trained wild animal show is another fine attraction. Wild lions, bears, pumas, leopards and hyenas perform under the vigilant eye of their trainer with ponies and dogs, the natural prey of the denizens of the forest.

King's I. X. L. Wild West Ranch is another great show, in which there are cowboys, Indians, cowgirls, sharp shooters and ropers.

Various other shows are to be found—the "Old Plantation" Streets of Cairo, and Jesse James, the Missouri Outlaw, is to be found at William's Electric Theater, as well as other new novel talking moving pictures. The vanderbilt theater presents a musical melange and potpourri of all sorts of variety stunts.

One of the most novel attractions is The Crazy House. It is a mystery only to be solved after a visit has been paid to its wonders.

Many other attractions are found that will entertain some and educate others.

Mrs. Robert Wise and Mrs. John Kettenacker and daughter are visiting their sister and aunt, Mrs. James Cullen.

Considering the big crowds thronging the city, so far, there has been the heat of decorum, the Police having little else to do than watch the kaleidoscope and every changing scenes made by the moving masses on the thoroughfares.

Prof. T. A. Luman of Louisville, formerly of Fleming county, has formally entered his name with the Newport Board of Education for appointment as Superintendent of Public Schools in succession of Prof. Ellsworth Regenstein, who has been appointed State Superintendent of Public Instruction.

Attention is called to the advertisement appearing in another column of this impression of THE LEADER of the public sale of the beautiful and delightful Parker residence in East Second street, Sixth Ward. The property will be sold Monday, May 24, at 2 p. m., and there is a bargain in it for some one.

BULL ELEPHANT EXECUTED

DANVILLE, ILL., April 25th.—The big bull elephant which started the herd of a circus on a rampage yesterday afternoon, and which resulted in thousands of dollars' worth of damage being done, besides serious injuries to several persons, was executed this afternoon in the presence of a number of physicians. The pachyderm was literally strangled to death. Chains were fastened around his neck and pulled from each end by two other elephants. This was kept up till he was strangled.

STRANGE SERIES OF MISHAPS

Yesterday was an off day with Mr. A. K. Marshall, Jr., and Mr. Renley Thompson of Lewisburg. While en route from the burg to this city their horse became frightened and ran off, dumping the occupants out and putting the buggy out of commission. They managed to reach town, however, in a delapidated condition. When through with the sights on the midway they repaired to Parker's stable, where their farcical steed was hitched to another buggy and they had hardly started on their homeward journey when the untamed equine began kicking and doing all sorts of stunts, spilling the young men out and making kindling wood of the vehicle, and after tramping itself ran at top speed up the hill and disappeared in the gloaming. Another horse and buggy was secured and they arrived home without further mishap. Strange to say in all the scrimmage the boys were unscathed.

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomach and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind. J. E. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

THOMAS W. GREELY.

After an ailment and illness extending over a period of fifteen years, which he bore with patience and resignation, Thomas W. Greely passed away yesterday morning at 11:30 o'clock at his home in East Fifth street, aged 65.

Deceased was born in Ireland May 14th 1845; came to America when a lad of thirteen, and for thirty-five years has been a resident of this city, where he followed his trade, that of a tailor.

He was a convivial companion, a kind and considerate husband and father.

He is survived by a widow, three daughters and four sons—Nellie, Mamie, Beesie, John and James Greely of this city and Thomas and Harry Greely of Cincinnati.

The funeral will take place tomorrow morning at 9 o'clock from St. Patrick's Church, with services by Father P. M. Jones.

Interment in Washington Cemetery.

ROBERT HUMPHREYS WOOD.

Died, at the family residence near Washington, Mason county, Ky., April 28th, 1910, Robert Humphreys Wood.

He was born in Washington September 30th,

1846, and was a son of Andrew Wood and Mary Humphreys, daughter of Robert Humphreys. He was related to many of the most respectable and influential families in Mason county. There are two brothers, J. Hal and Clarence L. Wood, and two sisters, Mrs. Robert Taylor and Miss Hattie Wood, to mourn the loss of a devoted brother, besides a great number of relatives and friends.

The writer, who has known him for almost half a century, has rarely had the privilege of an acquaintance with a more universally popular man. Indeed he does not recall one, who said he did not like genial, out-spoken "Bob Wood."

He was devoted to reading, had a retentive memory, a fine flow of language that made him a welcome guest and an entertaining companion; possessed of many of the most desirable qualities, he will be greatly missed from the large circle of acquaintances who delighted in his society.

His funeral will occur tomorrow morning from the residence at 10 o'clock, sun time, with services by Rev. Paul Rhodes.

Interment in Washington Cemetery.

RESULTS EXCEEDED HIS EXPECTATIONS

In an experiment recently made by John Perkins, residing on Rural Route No. 2, Henric, N. H., the results obtained far exceeded his expectations. Mr. Perkins was so pleased that he made a statement for general publication, saying: "For a number of years I was an invalid from a combination of troubles. I

suffered terribly from constipation and piles, and was so stiffened with rheumatism that I could not arise without assistance. I was also troubled with dizziness. My stomach was out of order, my appetite feeble, I felt dull, weak and tired all the time, and was in a generally run-down condition.

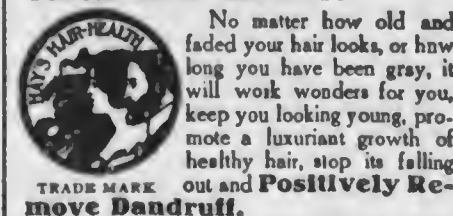

"My wife and daughter having both used the Cooper remedies with beneficial results, I decided to try them. They proved helpful beyond all expectations. The New Discovery soon put my bowels into good condition, and the piles disappeared. My appetite improved, and I began to relish my meals, having no difficulty in digesting all that I ate. The dizziness soon left me and has not returned.

"I used Cooper's Quick Relief Liniment as an aid to the New Discovery for my rheumatism, which has not troubled me now for a long time. The Cooper Remedies worked wonders for me."

L. T. Cooper, whose medicine was used by Mr. Perkins, claims that stomach trouble is responsible for nearly all illness, and that if the stomach is restored to normal and healthy activity, such diseases as rheumatism, kidney and liver troubles, etc., will quickly disappear. His preparations have certainly made a remarkable record. I am agent for them in this community.—Thos J. Chenoweth.
